THREE LANGUAGE FORMULA
(FOR CLASS IV & V)

Dear Parent,

We would like to inform you about the Three Language Formula in accordance with the latest guidelines issued by CBSE and the National Curriculum Framework for School Education (NCFSE 2023).

We wish to reassure you that these changes will be implemented only from Class VI onwards and will not impact students currently studying in Classes IV and V.

For your clarity:

- Sanskrit will be introduced as a compulsory native language from Class VI. The third language introduced in Class IV will continue as per the existing schedule.
- In Classes IV and V, languages such as French, German, and Sanskrit will continue to be offered as per the current scheme.
- Students who have opted for French or German in Classes IV and V will be adequately supported in Class VI. The school will take necessary measures to bridge any learning gaps, if required.
- From Class VI onwards German/French will be offered during skill classes, and there will be no formal assessment or examination for the same.

We hope this addresses your concerns. Thank you for your continued trust and cooperation in supporting your child's learning journey.
