

VISHWA BHARTI PUBLIC SCHOOL, NOIDA

The March Is On...

EMERGENCY & FIRE PREPAREDNESS TRAINING CONDUCTED FOR SUPPORT STAFF

In view of recent fire incidents reported across the country and to reinforce safety awareness on campus, a comprehensive Emergency and Fire Preparedness Training Programme was organized for the school's support staff, administrative staff, and security personnel.

The training was conducted by Z4 Solutions, a professional safety and emergency management agency. The session focused on fire prevention measures, emergency response protocols, evacuation procedures, safe use of fire extinguishers, and the roles and responsibilities of staff during emergency situations.

Through practical demonstrations and interactive discussions, participants gained valuable knowledge and hands-on experience in handling fire-related emergencies effectively. The programme aimed at strengthening the school's safety culture and ensuring preparedness to safeguard students, staff, and school property in the event of any unforeseen emergency.

The school remains committed to maintaining a safe and secure environment for all stakeholders through regular awareness and capacity-building initiatives.
