VISHWA BHARTI PUBLIC SCHOOL, NOIDA

The March Is On…

'Spandan' 2026 - Reverberations of Life

Vishwa Bharti Public School, Noida hosted its Annual Inter-School programme 'Spandan' on 29th July 2026 in the school premises.

This year, the fest was a wonderful blend of Math & Science that brought together students from 19 schools across Delhi NCR with approximately 300 participants. The programme commenced with Ganesh Vandana and the lighting of the lamp ceremony, setting the tone for a vibrant celebration of knowledge and creativity. After this, a dance drama based on the story of Tanaji Malusare and his courage was presented by the students. His life teaches us that courage combined with scientific thinking and mathematical planning can help us achieve the impossible. The performance was highly appreciated by the guests.

The Principal Ms. Amita Ganjoo, in her welcome address said that the purpose of this event is not only to test knowledge but also to promote logical thinking, creativity and problem-solving skills. She also urged students to adopt scientific thinking in daily life. A short documentary highlighting the 75 years journey and remarkable growth of VBPS Women's Welfare Institution was presented to the audience.

Students competed in 5 exciting events:

1. MathSplash 2. Maths Relay 3. Science Spellbound 4. SciGeneius 5. Maths Rap
Based on the overall performance in all competitions, Bal Bharati Public School, Noida won the Overall Trophy.

The event was dedicated to the legacy of girl child education and spreading scientific temper in young minds- a mission this institution has proudly upheld for 75 years now.
