Dear Parents and Readers,

As we present the final edition of Hunar for the session 2025-26, it is heartening to reflect on a quarter filled with growth, joyful learning, and meaningful achievements. Our young learners have blossomed into confident, expressive individuals through a rich blend of academic and co-curricular experiences.

The enthusiasm seen in activities like Sports Day, storytelling and day camps reflects the spirit of holistic development we strive to nurture. These moments are a testament to the dedicated efforts of our teachers, the support of our parents, and the enthusiasm of our children.

As we conclude this session, we look forward to continuing this journey of learning and excellence together.

"IT TAKES A BIG HEART TO SHAPE LITTLE MINDS."

HEAD'S DESK

SEEMA AHUJA
PRE-PRIMARY HEAD

The academic year has been a fulfilling and enriching journey for our Pre-Primary wing. We take immense pride in the successful conduct of activities that supported the holistic development of our young learners.

The joyful celebration of Khel Mahotsav (Sports Day) fostered confidence, teamwork, and sportsmanship, while the engaging Day Camp encouraged exploration and independence beyond the classroom. Alongside these, a variety of classroom and co-curricular activities ensured a well-rounded focus on every aspect of development.

I sincerely express my gratitude to our dedicated teachers, supportive parents, and enthusiastic students for their constant cooperation and efforts in making this year truly memorable. As we conclude this session, we carry forward beautiful memories and meaningful learning experiences that will continue to guide our children in the years ahead.

WORDS OF WISDOM

MEENAKSHI PATHAK
CURRICULUM HEAD

As our young learners conclude this vibrant session, it is heartening to see them transition from curious explorers to confident beginners ready for the next grade. Rooted in the NCF-FS and the holistic Panchkosha framework, our curriculum has moved beyond simple academics to nurture the physical, emotional, and cognitive layers of every child. Through the magic of toy-based pedagogy and the warmth of storytelling, we have seen their "inner spark" transform into a steady flame of inquiry and social harmony. They move to next class, not just with skills in literacy and numeracy, but with a resilient spirit and a joyous heart, fully prepared to climb the next step of their educational journey. This milestone is a celebration of our shared commitment to fostering a foundation that is as strong as it is soulful.

****REFLECTIONS FROM OUR PARENTS****

I am extremely proud to share that my son Gurnoor Singh participated in his school's Sports Day, beautifully portraying the legendary athlete Milkha Singh. His enthusiasm, confidence, and dedication truly reflected the spirit of the "Flying Sikh."

Through this performance, he not only showcased his talent but also learned about discipline, perseverance, and the importance of hard work as well as coordination in other activities like March past and Yoga.

It was a joy to watch him perform with such energy and passion at such a young age. Moments like these build confidence and inspire children to dream big.

We sincerely appreciate the school's efforts and Reema ma'am his class teacher and Anita Trikha mam ,Seema Ahuja mam and Sarika mam in encouraging to learn through such engaging activities.

This experience will remain a cherished memory for us as parents.

****REFLECTIONS FROM OUR PARENTS****

It was an absolute delight to witness the energy and vibrance of the recent Annual Sports Day. As a parent of an LKG student, I was particularly struck by the seamless harmony between meticulous organization and the pure, infectious joy of the children.

Managing such young students on the field is no small feat, and heartiest congratulations are due to the class teachers and support staff. Their patience and dedication were evident in every drill and race, ensuring that even our youngest participants felt confident and celebrated.

The event was a perfect testament to the school's commitment to holistic development. From the vibrant displays to the well-coordinated schedules, the day highlighted several key strengths of the VBPS community:

*** Encouraging Atmosphere:** The focus on sportsmanship and participation helped build immense confidence in the little ones.

*** Creative Drills:** The age-appropriate activities were engaging and showed the hours of hard work put in during rehearsals.

*** Operational Excellence:** The disciplined execution by the organizing team made the experience smooth and enjoyable for all the parents in attendance.

Thank you, Vishwa Bharti Public School, for fostering such a positive and energetic environment. It was a proud moment for us as parents, and a memorable milestone in our children's early school years.

We truly enjoyed the LKG Sports Day, it was a beautifully organized and heartwarming experience. The effort put in by the kids was absolutely commendable. Watching such little ones participate with so much enthusiasm, confidence, and joy was genuinely delightful.

The most loved part for us was the parade. Seeing the children understand the spirit and discipline of a parade at such a young age, and then perform it so gracefully, was incredibly special. It wasn't just about coordination, it reflected the patience, practice, and guidance they are receiving.

Moments like these fill us with immense pride. It's reassuring to see that our children are not only learning new skills but also values like teamwork, confidence, and respect for traditions.

The way they carried themselves showed that they are being nurtured in the right environment.

A big appreciation to the teachers and school for their dedication and effort in making this day so memorable. It was not just an event, but a meaningful experience for both kids and parents.

Truly a proud and joyful moment for all of us!

We are very glad that the school and specially the teachers took this initiative of "Annual Sports day" for junior wing kids. The activities that were included in the Sports day were aptly suited for very young kids and they also enjoyed it to the fullest. Our son is in LKG-G and he was super excited after the event and mentioned that class teacher motivated the kids a lot to participate. We hope this initiative will continue in the coming years and become full time tradition for Junior wing also.
