

PARENTS TESTIMONIAL

Dear Madam,

I am writing to express my sincere appreciation for the wonderful environment and learning experience provided to my child, Shanvi Deb, in the Pre-Nursery B class.

We have seen a very positive change in Shanvi's confidence, behavior, and communication skills since joining the school. She loves coming to school and always looks forward to it, which reflects the caring and homely atmosphere created by the teachers n support staff.

We would like to specially thank Aditi Ma'am for her affectionate approach, as well as the Music, Dance, Art, and Yoga teachers for engaging the children in joyful and playful activities.

Thank you for your dedication to early childhood development. We truly appreciate the school's efforts and look forward to a continued association.

Warm regards,

Mohit Deb
